**VARGHESE MOOLAN
FOUNDATION**

Many great persons in history has kind-heartedly slayed their lives for the sake of others. Religions and great thoughts have played a vital role towards this great achievement. It is the ultimate stage of human civilization that the self centered, ego-centrism, is shifted to hetero-centrism and ultimately driven to ab-negation, the so called "Nirvana". Dr. Varghese Moolan, Chairman of the VARGHESE MOOLANS GROUP OF COMPANIES, believes that it is the duty of every human being to be thankful to God by sharing a part of the blessings HE has bestowed upon us, with the less fortunate. Through **TOUCH A HEART**, Varghese Moolan Foundation has taken a strong step forward in reaching out to the unfortunate people living around us.

The group began its first retail supermarket in Angamaly, Kerala, India in 1997 with a huge variety of products in the best quality at the most reasonable rates in a spacious showroom at the heart of the city. Eversince, the group has expanded to providing products and services on a national scale through E commerce. Over the years, the secret to the success remains the same, which is the aim to provide the best product at the best price possible, at the same time keeping the customers satisfied.

Moolans Organic Farms

Agriculture and agricultural products have always been the base for growth of Varghese Moolans Group of Companies. Health concerns being a major issue in the modern age, and agriculture being the core competency, efforts have led way to the Moolans Organic Farms situated in Palakkad and Ernakulam districts of India. Through the organic farms, we aim to cultivate every product without the use of pesticides or other harmful ingredients.

Distribution Networks:

The products manufactured and exported by Varghese Moolans Group of Companies is targeted at the NRI communities across the world. The Middle East, home to millions of Indians, is the principal export market with the USA, Australia, South Asian markets to follow

VMGC has chosen to partner with the best distribution partners in all the major countries that ensures the widest reach for the products it undertakes. With an experience over 35 years, Saudi Arabia provides for the biggest sales market among the GCC countries.

GCC

Saudi Arabia, being so vast in geography, is primarily operated with independent warehouse facilities based separately in Eastern Province, Central Province, and Western Province. All the key accounts and wholesalers in the major cities are serviced directly by the company through the fleet of 33 heavy duty trucks and 18 vans. The secondary and tertiary distribution networks, ensures the maximum reach of the products to every nook and corner of the country. UAE and Qatar markets are also operated in a similar model as to Saudi Arabia.

Spices and Food Products

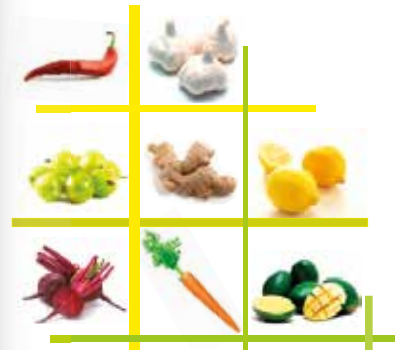

Blessed with the unique monsoon rains and attributed to the ideal tropical position, India has since centuries played a prominent role as the land of spices and tropical fruits and vegetables. Utilizing these positive measures and manufactured with the latest technologies in grading, processing and packaging, OUR food products have acclaimed local as well as international reputation for authenticity and quality. Selection of raw material, care in grading, neatness in processing, strictness in supervision, excellency in blending, long lasting experience et al added a lot to the quality of any product, and these are the basic standards, we rely on, for the utmost satisfaction of every customer
